For 10 years Francois has designed fun cookies for people's special occasions and holidays. You may place an order for your birthday, anniversary, shower, or gift basket. Some corporate logos or personalized designs may require you to bring or fax a picture or the exact colors.

If cellophane wrapping, ribbon, and boxes or baskets are what you are looking for we can do that too and will ship them at your request. Beautiful glazed cookies such as name cards with the names of your guests written on them are some people's favorite cookies to order. Angels with your loved one's name make a special touch for a variety of occasions.
